- Lakshmi Narain College of Technology, Indore** Indore, M.P.
2019-23
Bachelor of Technology (B.Tech)
Computer Science Engineering
 - CGPA: 8.15
- Rosera Sr. Sec. School Rosera, Samastipur** 2019
Samastipur, Bihar
Pre-University Education
 - Percentage: 69%
- Girl's High School Rosera** 2017
Samastipur, Bihar
Secondary Education
 - Percentage: 83.4%

PROJECTS

- Project A: StreamVision – YouTube Clone** June 2025
Tools: HTML, Tailwind CSS, JavaScript, React.js, JSX, Flexbox, Responsive Design [\[G\]](#)
 - Developed a YouTube-style video streaming front-end interface allowing users to browse, search, and watch videos in a clean UI.
 - Implemented React components and hooks to manage video listings, playback, and dynamic page rendering.
 - Created a responsive video grid and sidebar navigation using Tailwind CSS utility classes and Flexbox for smooth multi-device experience.
 - Applied modular coding practices to structure components for scalability and maintainability.
- Project B: Foody – Swiggy Clone Food Ordering Website** June 2025
Tools: HTML, JavaScript, React.js, React Router, Tailwind CSS [\[G\]](#)
 - Developed a fully responsive food delivery platform inspired by Swiggy, with features like restaurant listing, menu display, and cart management
 - Utilized Tailwind CSS to create a clean, modern, and responsive UI without writing traditional CSS
 - Implemented dynamic routing using React Router for smooth navigation between restaurant pages and menu views
 - Designed reusable React components for restaurant cards, item lists, headers, and footers, ensuring UI consistency and scalability
 - Built cart functionality with real-time updates using React state and props

SKILLS

- Languages** **Tools:** HTML5, CSS3, JavaScript, React.js
- Design Debugging:** Responsive Design, Basic UI/UX understanding, Chrome DevTools
- Soft Skills:** Strong communication, Team collaboration, Problem-solving
